Title: Communications with Minimized Propagation Delay

ASSISTANT COMMISSIONER FOR PATENTS

WASHINGTON, D.C. 20231

SIR:

Request to Correct Filing Receipt

The filing receipt, a copy enclosed, shows an assigned filing date of 2/26/02. A request that a corrected filing receipt be issued showing a filing date of 2/23/02.

This new nonprovisional patent application was mailed to the USPTO using Express Mail - Post Office to Addressee service - and was deposited with the US Post Office on 2/23/02. A copy of the Express Mail label, customer copy, and Applicants return post card showing mailing date of 2/23/02 is enclosed. Even on the original of the customer copy of the Express Mail label, the printing is very light, evidently caused by the person at the US Post Office writing with insufficient force.

Applicants' attorney, the undersigned, verifies that the subject application was deposited with the US Post Office for Express Mail delivery to the USPTO on Saturday, 2/23/02.

Respectfully submitted,

By
